## Jay Fiedler's Passing Game Spring Clinics (FOR PLAYERS IN GRADES 6-12)

Featuring

**Former Miami Dolphins & NY Jet QB Jay Fiedler**

### Clinic Philosophy

Prime Time Football QB/Receivers Clinics are designed to teach the basic fundamentals of the football passing game in an up tempo and fun environment. Quarterbacks will learn, practice and perform proper footwork, balance, weight transfer, core strength, and arm motion for all types of throws. Receivers and Backs will learn, practice and perform proper stances, starts, releases, route transitions, body control and ball catching techniques. All players will also gain insight into the mental side of the passing game, learning how to read defenses and make the proper adjustments. **Jay Fiedler personally works with every player in the clinic and will teach the skills he acquired and applied during his 10- year NFL career.** In just 4 years, the Prime Time winter clinics have trained County Players of the Year Winners, eight 1<sup>st</sup> Team All-Long Island QBs, several All-County and All-Conference players, & multiple up and comers with a passion for learning and improving .
