Presents the 2019-2020

## Jay Fiedler's Passing Game Winter Clinics (FOR PLAYERS IN GRADES 5-12)

Featuring

**Former Miami Dolphins & NY Jet QB Jay Fiedler**

### Clinic Philosophy

Prime Time Sports Camps® Football QB/Receivers Clinics are designed to teach basic fundamentals of the football passing game in an up tempo and fun environment. Quarterbacks will learn, practice and perform proper footwork, balance, weight transfer, synchronization, core strength, and arm motion for all types of throws. Receivers and Backs will learn, practice and perform proper stances, starts, releases, route transitions, body control and ball catching techniques. All players will also gain insight into the mental side of the passing game, learning how to read defenses and make the proper adjustments. **Jay Fiedler personally works with every player in the clinic and will teach the skills he acquired and applied during his 10- year NFL career and his 20+ years of experience coaching all levels. Prime Time clinics have become the go-to place to improve your game. In addition to working with many pro and college players, Fiedler has trained multiple Thorp Award Winners, dozens of 1<sup>st</sup> Team All-Long Island QBs and WRs, several All-County and All-Conference players, and many more with a passion for learning and improving their skills.**
